GERMANY'S WAR ON JEWS TO-DAY

To Last Only 24 Hours—If Criticism Stops

"TRAITOR" STAMPED ON FACES OF SHOPPERS

Dr. Goebells, the German Minister of Information, announced last night that the official boycott of Jewish places of business will start to-day and will, after 24 hours, be temporarily suspended in order to watch the effect on the foreign Press.

If unfavourable comments on Germany cease then the boycott will end. Otherwise it will come into force on Wednesday next.

"If the boycott has to be resumed it will be resumed in a manner calculated to destroy German Jewry," Dr. Goebells declared in a broadcast talk last night.

Nazi orders have been issued in Berlin that all Jewish employees of Jewish firms must be instantly dismissed.

No Christian is to be dismissed, but all Christian employees are to have two months' wages guaranteed.

In Berlin and other centres persons seen to make purchases in Jewish shops will be photographed as they emerge and their pictures will be shown at the local cinema.

Red placards with the inscriptions, "Jewish shop," "Jewish doctor," or "Jewish lawyer" are to be affixed to Jewish shops and businesses, the consulting rooms of Jewish doctors and on Jewish lawyers' offices.

Non-Jewish business and professional men are being urged to buy at the price of one mark placards with corresponding inscriptions except for the substitution of the word "German" for "Jewish."

Courts Raided

Two courts of law, including the Central Court, had to be closed in Berlin this morning when a number of Nazis supported by a large crowd, entered the buildings and demanded the immediate removal of Jewish Judges and lawyers.

The officers of the courts simply obeyed instructions and Judges and lawyers of Jewish persuasion left the building. Cases in process of hearing were abruptly suspended.

Among the Judges who left was Chief Justice Kurt Soelling.

"We are traitors—we have bought from the Jews," was the stamp impressed by Nazi pickets on the faces of shoppers leaving Jewish shops at Annaberg, in Saxony, yesterday (states Reuter).

There was unusual activity in Munich. Squads of Nazi troops in uniform marched through the streets and it was obvious that the final preparations are being made for the anti-Jewish boycott campaign.

Armed Nazi guards took their stands outside several large shops owned by Jews.

GERMAN DENIALS

BERLIN, Friday.

Herr Franz Seldte, Minister of Labour and chief of the Steel Helmets, to-night made an earnest appeal to war veterans for fair play for Germany.

The world, he declared, was being "flooded with monstrous atrocity propaganda that assumed particularly dire dimensions in the newspapers of the United States.—Central News.

M.P.'s Protest

Commander O. Locker Lampson, M.P., sent the following telegram to Herr Hitler, the German Chancellor, last night:—

"The decision to discriminate against the German Jews has had a most damaging effect upon the good feeling for Germany which was growing stronger.

"We hoped to see Germany strengthened under your leadership. This action against the Jews is making the work of myself and other friends of Germany almost impossible."

Huge crowds watching 10,000 Jewish war veterans march past the New York City Hall as a protest against the treatment meted out to Jews in Germany. Mayor O'Brien, of New York, pledged his support after denouncing racial persecution.
